HMCA offer four levels of private medical plans for individuals, family groups and companies as well as dental plans, hospital cash plans, travel plans and vehicle breakdown recovery. Our many years of experience ensures we have a plan to suit your needs at the best possible price.

The Hospital Sickness & Injury Money Plan provides tax free cash should you need to stay in hospital overnight as a result of sickness or injury.

The Dental Plan provides cover for routine examinations, hygiene, X-rays, and remedial and restorative treatment with a private or NHS dentist. Cover is also provided for emergencies, accidents and oral cancer.

The Travel Plan provides medical expenses cover up to £10 million when you travel overseas. You can cover single trips inexpensively and regular travellers can have an annual contract.

The Breakdown Recovery Club gives full cover, at a low cost, for home-starts, roadside assistance and recovery following an accident or breakdown.

My Care Card

With NHS waiting lists at a record high there has never been a better time to start medical cover. HMCA has launched My Care Card with a range of affordable plans specifically with the under 50s in mind.

You may think you can put off taking out medical cover until you are older, but you should remember not to leave it too late. If you are diagnosed now, with no cover in place, you may well find you cannot get cover for this condition in future.

All My Care Card plans come with 24/7 access to a private helpline and app, so you can speak to a GP anytime you need, wherever you are. All our plans provide a cash benefit payable for each night you spend in an NHS hospital, so time spent in hospital will not leave you struggling to pay the bills.

The Gold Plan gives you private medical in-hospital benefits for acute conditions treated as an inpatient like illness, disease or injury. When referred by a GP you will get quick admission into a hospital of your choice at a time and a location that is convenient for you, with the benefits of a private room and en-suite.
